

Appointment Policy

Welcome to our office! Our mission is to provide you with a world-class experience. In order to accomplish this, we dedicate our appointments times solely for you, the patient. Maintaining your reserved appointment time is imperative for us to achieve this mission.

When we reserve time in our schedule, it is considered CONFIRMED at that time. We understand that life can sometimes be crazy and if for some reason you determine the time reserved no longer works in your schedule, kindly give us at least 48 hours' notice so we can offer your reservation to another patient with treatment needs. However, we don't recommend missing out on your reserved time because our doctors book out many weeks in advance and we want to help prevent your condition from worsening in that time.

If cancelled or missed appointments become a habit (more than 2 failed appointments in a given year), a refundable deposit will be required to schedule additional appointments or you will either be placed on a "cancellation only" list or dismissed as a patient from our office.

Again, thank you for choosing Tranquility Dental Wellness. If you have any questions regarding the financial or appointment policy, please feel free to ask any member of the team.

I have read and agree to the above written policy and consent to receiving dental care at Tranquility Dental Wellness.
